

# Poultry Crate #540202

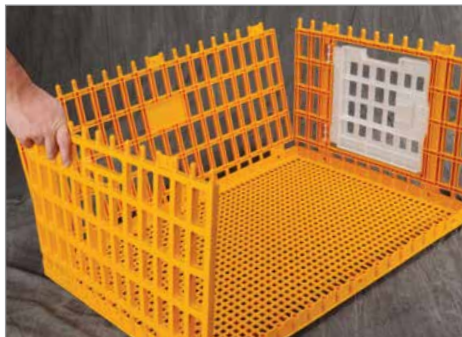

*Note: Photos  
(at right) show a  
different size crate.  
However, installation  
is the same.*

1. Insert panels into base. Match curve panels to curve of base.

2. Place top panel over side panels. Lining up pegs with holes (see inset above).

3. Press panels together (use a mallet if needed). You should hear a “snap” when connected.

4. Make sure pegs and holes are connected.
